The collection is well organized, easy to apply and accessible to everyone. our faith in academia. And so it should be. So why, then, did I leave? In my first few months on campus, I

noticed that the friendliest, most welcoming people were in the service industry. I noticed that it was they who tended to stay and smile to total strangers in line at the grocery store. They helped others with special needs — they served people of every shape and size. It was life-changing. It was being a part of something bigger than ourselves, because they are all united in one purpose: serving. We are college students at the University of Denver. We are a family at
